Boston MedMatch: Connecting you to the best care at the best price

About Boston MedMatch
At Boston Health PolyClinic in Chiang Mai, we understand that finding the right specialist for your medical needs can be daunting, especially when considering the costs. That's why we've launched Boston MedMatch as part of our Premier Members Programme – a unique service that bridges the gap between patients and top-tier specialists, ensuring you receive the best care at a more affordable rate.

How Boston MedMatch works:

1. Consultation Schedule a consultation with one of our experienced doctors at Boston Health Clinic.
2. Expert matching: Our team will identify the best specialist for your condition based on your medical needs.
3. Price negotiation: We leverage our network and expertise to secure prices that can be significantly cheaper than undergoing the procedure at major local hospitals.
4. Seamless care: Once matched, we'll coordinate all the details, ensuring a smooth transition to your specialist and a hassle-free experience.

Benefits of MedMatch Savings:

- Quality assurance: We only partner with trusted and renowned specialists ensuring you receive the best care.
- Cost savings: With potential savings of up to 50%, you can undergo necessary procedures without draining the bank.
- Personalized care: Our team takes the time to understand your unique needs, ensuring you're matched with the best specialist for your condition.
- Peace of mind: Eliminate the stress of searching for a specialist and negotiating prices. We handle it all for you.
- Time efficiency: No more endless searching and waiting. We expedite the process, getting you to care as fast as possible.

Boston Health POLYCLINIC
Western-style Primary Care Treatment & Prevention

At Boston Health Clinic, we believe everyone, regardless of their background or financial situation, deserves access to top-tier medical care at the best possible price. Our commitment is to bridge the gap between patients and world-class healthcare services, ensuring that the best care is at the best price. It's not a privilege but a right accessible to all.

[Angebot für Januar](#)

Dear Members,

Boston Health Poly Clinic was delighted to see so many members of the SLS at its event at the clinic on 10 January. To ensure that all members benefit, they are offering all SLS members exclusively the following deal:

10% discount on all treatments for SLS members in the month of January

25% discount on first time membership before 31 January 2024

Discover the benefits of membership with them. Details and special offers can be found in the links below. Discover the benefits of membership.

Membership

Members can enjoy the full range of clinic services at special membership rates along with other services, including phone and email consultations. Please note in the daytime and emergency calls at night at discounted fees, including our new service MedMatch.

Membership Fee:	Benefits:
First Family Member 3,500 CHF	• Annual Health checks
Additional Family Member 2,500 CHF	• EKG
	• Discount on medicines and treatments
	• E-mail consultations Free up to 4 times per year
	• MedMatch

Intake and Annual Health Checks

The intake health check will include:

- Basic blood and urine tests (complete blood count, fasting blood sugar, urine analysis, BUN, creatinine, Lipid profile, SGPT, SGOT, blood group)
- Physical examination and review of your medical history by our doctor
- EKG

Depending on the results of the basic tests, and on your medical history, our doctors may recommend additional examinations or tests. These could be at the clinic or elsewhere. In such cases, additional charges may apply. We will provide you with a quotation beforehand.

- Your medical record will be filed in our secure computer system.
- The annual health check will be similar to the intake health check but will exclude an EKG unless there is a medical indication.

Boston MedMatch: Connecting you to the best care at the best price

About Boston MedMatch

At Boston Health Polyclinic in Chang Mai, we understand that finding the right specialist for your medical needs can be daunting, especially when considering the costs. That's why we've launched Boston MedMatch as part of our Premier Members Programme - a unique service that bridges the gap between patients and top-tier specialists, ensuring you receive the best care at a more affordable rate.

How Boston MedMatch works:

1. Consultation: Schedule a consultation with one of our experienced doctors at Boston Health Clinic.
2. Expert matching: Our team will identify the best specialist for your condition based on your medical needs.
3. Price negotiation: We leverage our network and expertise to secure a price that can be significantly cheaper than undergoing the procedure at high-risk hospitals.
4. Seamless care: Once matched, we'll coordinate all the details, ensuring a smooth transition to your specialist and a hassle-free experience.

Benefits of MedMatch Savings:

- Quality assurance: We only partner with trusted and renowned specialists, ensuring you receive the best care.
- Cost savings: With potential savings of up to 50%, you can undergo necessary procedures without breaking the bank.
- Personalized care: Our team takes the time to understand your unique needs, ensuring you're matched with the best specialist for your condition.
- Peace of mind: Eliminate the stress of searching for a specialist and negotiating prices. We handle it all for you.
- Time efficiency: No more endless searching and waiting. We expedite the process, getting you the care you need faster.
