

Artist Talk and Viewing of Exhibition

'Variations on rice fields'

13 December

10.30-12.00

At Weave Artisan Society

Only for members of SLS and friends and family

Annelie Hendriks lives in Chiang Mai for 24 years. She has a photo-art exhibition (19 works) between 23 rd of November 2023 and 24 January 2024 at Weave Artisan Society in Chiang Mai

An Artist Talk means that Annelie explains and demonstrates about the techniques she used to make this kind of photo-art and about what motivates her. She will give a guided tour at the exhibition and after that there is time for Q&A.

At Weave there is a nice coffeeshop with pastries and good coffee tea and juices.

We will meet at the cafe space corner of Weave (a former Ice factory).
